

BUS ROUTES and LOADING

Buses will load and unload students in the bus loading zone behind the school building. Parents arriving to pick up students are encouraged to park in the front of the building. Time schedules for morning bus runs for Entiat Schools (times approximate) are listed below. Mid-day return and pick-up kindergarten bus routes will be set when all students are registered and will be communicated to parents of kindergarten students separately. Please have your child at the bus stop five minutes early.

NOTE: Buses on up-river routes go to the furthest point on the route and turn and pick up students on the trip back to the school.

AFTERNOON BUSES: All afternoon buses will leave the school at approximately 3:10 pm each day.

LATE START: Morning buses will pick up 50 minutes later.
